 Company profile

Consumer-facing companies in North America and Europe with large marketing and research budgets.

Fortune 1000 B2C brands across CPG, retail, restaurants & QSR, hospitality & travel, financial services, telecom, automotive, media & entertainment, consumer tech, DTC, e-commerce, and subscription businesses.

- Existing buyers of Qualtrics, UserTesting, or legacy qual research.
- Agencies serving these brands.

Well-funded growth-stage companies are also great customers, and we work with plenty of B2B companies too.

Blurbs you can send

Copy any of these and personalize the bracketed fields before sending.

LinkedIn warm intro

Copy

Hey [First Name], hope you're doing well. I wanted to connect you with Alfred Wahlfors, Co-Founder and CEO of Listen Labs. They work with teams at Google, Microsoft, Procter & Gamble, and others to run AI-moderated customer research. The platform recruits participants, runs the interviews, and analyzes everything. I think it could be helpful for your team at [Company]. Would you be open to an intro?

Email intro

Copy

Hi [First Name],

I wanted to introduce you to Alfred Wahlfors, Co-Founder and CEO of Listen Labs. They work with teams at Google, Microsoft, Procter & Gamble, and others to run AI-moderated customer research. The platform recruits participants, conducts the interviews, and analyzes the results so your team can pressure test ideas in days instead of weeks.

I thought it could be relevant for your team at [Company]. Would you be open to a quick intro call with Alfred?

Best,

[Your Name]

Short and direct (text / quick DM)
